The Neighborhood Leadership Program

What is the Neighborhood Leadership Program?

The Neighborhood Leadership Program (NLP) is offered by the Long Beach Development Services Housing and Neighborhood Services Bureau. This five-month, multilingual program assists grassroots residents and provides them with the skills, knowledge and resources they need to make a difference in the quality of life of our community.

This program is free to participants and is partially funded through the Federal Community Development Block Grant (CDBG) Program.

Tommie Simmons,
Class of 2012

"NLP has been very important in teaching me communication skills and how to network with others to get a task done."

This Program Will Help You:

- Improve your communication skills.
- Recognize the benefits of diversity.
- Create innovative solutions for improving your neighborhood.
- Identify resources and partnerships.
- Apply for grants.
- Plan and complete a community project.
- Gain confidence as a public speaker.

Crystal Day, Class of 2018

"The NLP has equipped me with a strong set of skills, from grant writing to building community partnerships. The program also provided me with a supportive network of individuals to celebrate with, to lean on, and to support. The personal leadership skills that I learned in the Neighborhood Leadership Program has inspired me to encourage other people to be active community leaders."

What is the Time Commitment?

The time commitment for the Neighborhood Leadership Program is intensive. Training sessions are held twice a month for five months and include a weekend retreat and another full Saturday session. Participants are expected to attend **ALL** sessions. See the application for specific dates and times.

Participants will also be expected to meet outside of regular class time for projects that will be conducted in a specific Long Beach neighborhood.

Emily Kiwa Tanaka,
Class of 2011

"NLP has helped me make meaningful friendships with like-minded people who enjoy volunteering for passion projects. It helped me gain confidence to keep moving forward because I'm prepared with tools to make a 'pipe-dream' into reality."

December 2019

Dear Neighborhood Leader:

It gives me great pleasure to invite you to apply for the **27th Annual Neighborhood Leadership Program (NLP)**. This unique, free program is offered by the Long Beach Development Services, Housing and Neighborhood Services Bureau. The program design and curriculum provide an opportunity for participants to strengthen their linkages with the City, schools, businesses, parents, families, neighborhoods, and community.

Since participants are selected from Long Beach neighborhoods, the Neighborhood Leadership Program brings together a diverse group of dedicated neighborhood residents to participate in a five-month experience that facilitates the enhancement of communication skills, conflict resolution, leadership and human relations skills. Additionally, NLP participants enhance their knowledge about our community and the network of available services.

Attached you will find information for the 2020 NLP and an application. We will be offering a Class of 2020 Candidate Information Session where you can meet and hear from past graduates and learn more about the program:
